Toysmith[®]
40 years of play.

Hello!

Dear Friends,

Thank you for your interest in Toysmith products and solutions!

2022 marks our **40-year anniversary** and is a pivotal moment for us. This year signals how we intend to operate for the next 40 years as we continue to develop innovative new products, merchandising solutions, and enhanced buying experiences that deliver joy to you and your customers.

We're also looking at product differently. Starting in 2022, for every product that is sold of our newly redesigned & curated **Outdoor Discovery™** line, a portion of the proceeds will go to the Greening Youth Foundation, which seeks to engage under-represented youth while connecting them to the outdoors and careers in conservation.

This is just one story about the many joymakers we are excited to share with you—enjoy the rest of our products and solutions.

Wishing you a healthy and prosperous year,

Michael Keaton

yoobi™ 

Yoobi means “one for you, one for me.” Yoobi was created to make colorful, vibrant tools to spark learning and creativity— not only to perk up the school supply aisle, but to solve a very big problem.

WITH EVERY PURCHASE, A ITEM WILL BE DONATED TO A U.S. CHILD IN NEED.

Millions of kids in the United States do not have fundamental school supplies to learn and be successful. This affects not only their school work – it affects their confidence, and teachers often step in to spend their own money to make sure students can learn. Yoobi wants to help alleviate the burden on teachers and school districts, and level the playing field so that all kids have an equal opportunity to learn.
