

Badger Insulated Pipe LLC

Free Shipping on Orders of
\$975
or More

2022/2023

We offer most items needed for your
Hydronic Heating project. Pex and fittings in
sizes from 1/2" to 2". Pumps and valves.
Heat Exchangers for most applications.

800-571-7002

Insulated Pipe made to your
specific lengths that you need when your order is placed.

Hydronic Hanging Heaters
for
residential and commercial

lb100	1 1/4" Ports	35	0.24	400,000	

Heat Exchangers are used to exchange heat between two fluids. Plate Exchangers are high performance components and provide a high level of efficiency combined with compact dimensions and low weight. The special moulding of the plates produces the turbulent flow necessary for effective heat transfer.

All units are 5" x 12" Footprint
