Outdoor Kitchen Cabinets

Add any Grill or accessories to the mix.

Our line of BBQ Cabinets are custom built in house. We use galvanized Metal Studs and Masonry board Finish. They are light weight and spacious. Can be finished out with Brick, Stucco, Full Dimensional Stone, or Thin Stone.

Many times, an Outdoor Kitchen is constructed solely by a Mason, the openings and spacing for the components are not Precise and cause issues. Since our Cabinets are prefabricated this is not an issue.

**After placing your order, a Rep will contact you about a Layout for your accessories, grill location, and other details.*

**Shipping on the Cabinets are limited to Local Deliveries (25 mile radius). For shipping rates beyond 25 miles, please contact us directly.*

**Price does not include accessories such as Grill, Door, Frig as shown.*

Primo Ceramic Grill

Primo Oval Gas 420

Primo Oval XL 400

Our most popular ceramic grill, and no wonder. It offers the largest cooking area and the patented oval shape offers superior cooking efficiency and accessibility. Grill, bake, roast or smoke any food. Grill shown with Primo Grill Cart and 1-Piece Island Top.

Specifications

Cooking Area	400 sq in.	2,580cm ²
+ Rack System	280 sq in.	1,806cm ²
Total Cooking Area	680 sq in.	4,386cm ²
Cooking Grid	18.5" x 25"	47cm x 64cm

Introducing the Primo Oval G 420

The Primo Oval G 420 transcends standard gas grills by integrating a premium grade ceramic shell. Unlike metal gas grills that radiate high amounts of heat and pull the moisture out of food, the ceramic shell of the Primo Oval G 420 acts as an insulator to retain more heat and preserve the natural moisture and oils of the food.

The assembled grill features premium grade ceramics, 304 stainless steel cooking grates, burners, flavor grids, exterior and components. The cart features brushed aluminum handles with a powder coated steel exterior and locking casters. Every Primo is built for years of use and enjoyment.

Sizzler

Quality you can afford. The latest addition to the Summerset line, the Sizzler Series is a premium product at an unbeatable price. Constructed in all #443 stainless steel* and designed with careful precision to ensure optimal airflow and even heating, this grill gives its higher-priced competitors a run for their money in both durability and grilling performance. The Sizzler will impress the most discriminating of grillers.

Sizzler Pro

The all new packs tons of features on top of quality construction and affordability. Upholding the same sleek design as our classic Sizzler along with the added Exterior LED Lights, this grill really set itself apart. The interior has also been revamped with 14,000 BTU Cast Burners, Heat Zone Separators and Interior Cooking Lights to make for a premium grilling experience from top to bottom with built in rear infrared burner. The best part is... it won't break your wallet.
