LIFESTYLE GIFTS
WITH SPECTACULAR
DESIGN

INTRODUCING

Diesel & **DUTCH**

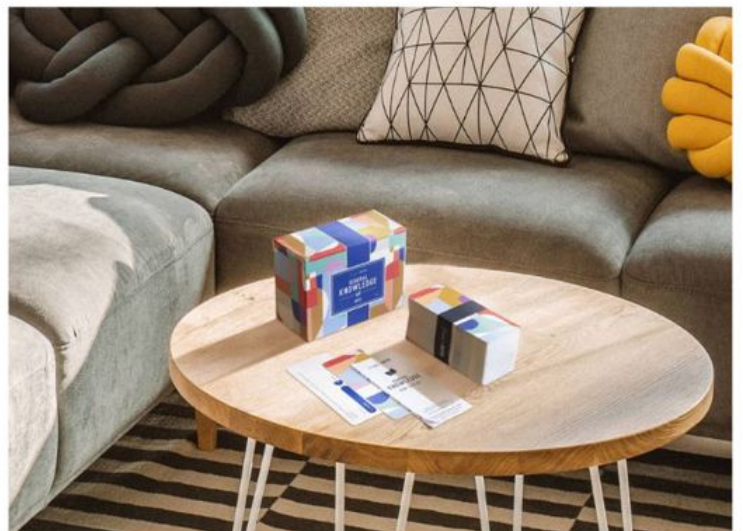

Lifestyle gifts.
Spectacular design.

Diesel & DUTCH was founded in Melbourne, Australia in 2020. This rapidly growing brand offers a bright, colourful array of lifestyle gifts, suited to a wide variety of people because of the thoughtfully curated content and eye-catching designs.

The brand proudly presents the following product categories.

Wall puzzles specifically designed with framing and hanging in mind. This means you'll not only enjoy the puzzling process, but also appreciate the colourful artwork hanging in your home. **Page 4**

Trivia sets that bring the whole family together for many afternoons or evenings of fun. Whether it be pop culture, general knowledge, sports or music, these trivia sets are guaranteed to bring a smile to those who play and reminisce together. **Page 9**

Greeting Cards so colourfully designed, they're hard to put down. Feel your senses heightened while browsing through the many compelling designs and take in the joy the complementary colours offer.

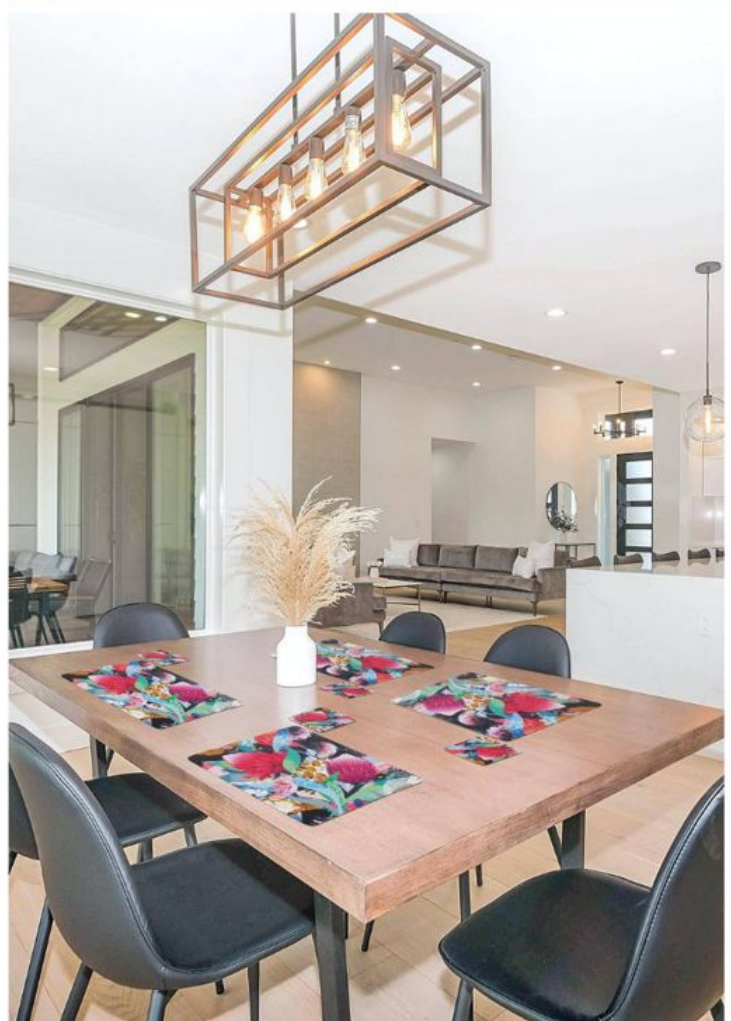

Page 13

Playing Cards provide the opportunity to combine your luck and skill in an endless number of card games. A great men's gift idea and for those who like to play to win. **Page 17**

Affirmation Cards help you create the life you want. Hijack negative thoughts and harness the power of positive thinking with a set of 25 daily affirmations. **Page 21**

Placemats, Coasters & Serving Boards provide a quick, easy and cost-effective way to switch up your kitchen and dining décor. The use of the colours can enhance mood and show your passion and exuberance for life. **Page 24**

Tea Towels are not just for drying dishes! Popped into a basket of warm bread, tied around the waist as an apron, parked on the shoulder of the home cook, or used as a trusty potholder, the tea towel gets assigned a lot of tasks. So why not use it in style with these fanciful, effervescent designs? **Page 31**
