ABOUT US

Founded in 2014, Lazy Monday began as an online resale platform curating premium streetwear and luxury brands. Expanding into food and beverage in 2016, the brand evolved from a fully digital, home-based business into a physical café presence by 2020. Continued growth led to the establishment of Lazy Monday HQ in 2022 and the creation of Made on Monday through the merger of its retail and kitchen divisions. Today, under the management of Wild Child Sdn Bhd, Made on Monday represents more than a business, it is a lifestyle brand driven by passion for hospitality, innovation, and community, shaping a new standard across food, retail, and culture.
