▮ Glass Rebel Warranty & Product Registration

BUILT TO LAST. BACKED WITH CONFIDENCE.

At Glass Rebel, we don't just build tools—we stand behind them. Every Glass Rebel tool is covered by a **1-Year Limited Warranty** from the date of purchase, protecting against defects in materials and workmanship for the original buyer.

✓ WHAT'S COVERED:

- All Glass Rebel hand and power tools
- Defects in materials or craftsmanship

✗ WHAT'S NOT:

- Damage from abuse, neglect, or improper storage
- Repairs by unauthorized service centers
- Use with non-Glass Rebel accessories
- Normal maintenance (blade sharpening, cleaning, etc.)

▮ HOW TO FILE A WARRANTY CLAIM:

Start your claim at glassrebel.com/pages/contact

Or call: **(208) 254-0006**

We'll provide instructions and either a prepaid return label or arrange pickup if eligible. Valid claims may result in a **repair, replacement, or refund** at our discretion.

⚠ LIMITATION OF LIABILITY:

This warranty is your exclusive remedy. Glass Rebel is **not liable** for any incidental or consequential damages. No other warranties (express or implied) apply beyond what is stated, unless required by law.

▮ CARE, USE & REGISTRATION

Your Glass Rebel is engineered for precision. Keep it running strong by following a few key steps:

- **Lubricate the Quick Connect:** Apply a small amount of oil every few uses to keep blade swaps clean and smooth.
- **Inspect Blades Regularly:** Sharp blades = cleaner cuts. Replace when worn.
- **Cut with a Wet Edge:** Use water or soap solution for easier removals.
- **Store Smart:** Keep your tool dry, clean, and cased.
- **Use Only Glass Rebel Blades:** Foreign inserts may cause permanent damage.

Safety Tips:

- ✓ Wear safety glasses
- ✓ Disconnect battery before maintenance
- ✓ Never force or misuse the tool

Thank you for joining the Glass Rebel revolution.

Built by Techs. For Techs. And built to last.

GLASS REBEL

Founded by a U.S. Navy Combat veteran with five years of dedicated service, Glass Rebel embodies a legacy of precision, innovation, and excellence. Drawing on extensive experience in the auto glass industry—from technician to area-wide manager—the vision for Glass Rebel emerged from a common challenge: the difficulty of changing blades in traditional auto glass tools.

The solution was a groundbreaking tool designed to simplify the blade change process and enhance overall performance. After two years of rigorous development and testing, this innovative tool was born.

Proudly made in the USA, each Glass Rebel tool is rigorously tested to meet the highest standards of quality and durability. The tool features a quick connect system with six adjustable angles for rapid blade changes, a powerful brushless motor, and a sheath-free design to minimize damage and extend blade life. The versatile blades, designed in the USA and manufactured overseas, offer exceptional strength and flexibility, ensuring reliable performance across various applications.

At Glass Rebel, we combine military precision with industry expertise to deliver tools that meet the highest expectations. We are dedicated to providing top-notch products that make auto glass removal more efficient and effective.

Thank you for choosing Glass Rebel—where excellence is a tradition.
