DRY HIRE TERMS & CONDITIONS

1.) The Equipment remains the property of the Owner at all times.

2.1) The Hirer assumes full responsibility for the Equipment once it has left the premises of the Owner and until its return to these same premises.

2.2) The Hirer shall indemnify the Owner for any damage and/or loss to the Equipment regardless of the cause.

2.3) The Equipment shall be assumed to be ‘on hire’ until it is returned to the Owner and all damages and/or losses have been paid to the Owner in terms of clause 2.2 above.

2.4) The Owner reserves the right to request a Security Deposit to be paid at the start of the hire to cover against damage, loss or extension of the hire period. The Hirer agrees that any such costs may be deducted from this deposit by the Owner. The Hirer also agrees that any costs that exceed the amount covered by the Security Deposit will be paid to the Owner on request. If no losses, damage or hire period extensions have occurred then the Owner will refund the deposit in full within 7 days of the end of the hire.

3.) The Equipment shall not be modified in any way by the Hirer or anyone acting for or on behalf of the Hirer.

4.) The Owner shall not be made liable for any damage caused to equipment not supplied by the Owner by the Hirer and/or their employees or agents connecting such equipment to the Equipment supplied by the Owner and/or a third party appointed by the Owner.

5.) The Hirer shall ensure that the use of the Equipment will only be carried out by properly trained and competent personnel. The Owner accepts no liability in respect of damage to personnel or property whilst the Equipment is on hire to the Hirer.

6.) The signature given on collection or delivery of the Equipment from/to the Hirer will constitute an acceptance on behalf of the Hirer that the Equipment was complete and in correct working order.

7.) All Equipment is checked before leaving the Owner’s premises. In the event of a defect, however, the Owner’s liability shall be limited to replacing and/or repairing the defective component. The Owner shall not be held liable for any damage or defect caused by negligent handling other than by its staff or agents or for any damage to the Equipment resulting after delivery or collection by a carrier or their appointed agents.

8.) Where Equipment is returned in an unreasonable state of repair or in a dirty condition the Hirer will be liable to a cleaning charge plus the cost of any repairs or replacement of parts required to return the Equipment to its condition prior to the commencement of the hire as per clause 2.2.

10.) In the event of cancellation within 14 days of event date, no deposits shall be refunded.
