

VETERINARY EQUIPMENT & SUPPLIES

Professional Equipment. Practical Pricing. Better Veterinary Care.

2026 VETERINARY EQUIPMENT CATALOGUE

NEW EQUIPMENT • PRE-ORDER EQUIPMENT • PRACTICE LIQUIDATION

Vancouver Island, British Columbia • Shipping Across Canada & the U.S.

househippo.co | dr.rhettmortenson@shaw.ca | 250-954-9610

WHY HOUSE HIPPO?

Veterinary equipment selected by people who understand veterinary practice.

After many years in veterinary practice, we became increasingly aware of how expensive veterinary equipment can be - and how disruptive equipment downtime can be for a busy hospital. House Hippo was created to offer practical, good-quality veterinary equipment at competitive pricing, backed by support from people who understand how the equipment is actually used in practice.

PRACTICAL PRICING

Quality veterinary equipment sourced with independent clinics and real-world budgets in mind.

VETERINARY PERSPECTIVE

Products selected with an understanding of clinical workflow, usefulness and day-to-day practice needs.

SUPPORT AFTER PURCHASE

Warranty options and a loaner program on eligible equipment help reduce disruption when covered equipment needs repair.

THE HOUSE HIPPO PROMISE

Our goal is simple: make professional veterinary equipment more accessible while giving clinics responsive support before and after the sale. If you do not see the equipment you need in this catalogue, House Hippo can also source additional veterinary equipment and provide a competitive quotation.

PURCHASE SUPPORT

- 6-month warranty against manufacturing defects on most new equipment
- Extended warranty available on eligible products
- Loaner equipment program for qualifying covered repairs, subject to availability

THE PRE-ORDER ADVANTAGE

Reserve incoming equipment early and save on shipping.

FREE SHIPPING ON PRE-PURCHASED EQUIPMENT WITHIN BC RESERVE BEFORE INVENTORY ARRIVES

Once an item is in stock, standard shipping rates apply.

House Hippo is building inventory for veterinary clinics across British Columbia. Clinics that pre-purchase qualifying incoming equipment receive complimentary shipping within BC, while helping us bring more equipment into local inventory.

SAVE ON SHIPPING

Pre-purchase qualifying equipment before it arrives and shipping within British Columbia is included.

SECURE INCOMING STOCK

A 50% deposit reserves your equipment from incoming inventory, subject to availability.

PLAN WITH CONFIDENCE

Know what equipment is coming and secure your order before the item moves into regular in-stock inventory.

PRE-PURCHASE VS. IN-STOCK

PRE-PURCHASE

FREE SHIPPING IN BC

50% deposit secures qualifying incoming equipment.
Balance due on shipping date.

ONCE IN STOCK

STANDARD SHIPPING APPLIES

Regular shipping charges are based on destination, product size and carrier costs.

PRE-PURCHASE. SAVE ON SHIPPING. SECURE YOUR EQUIPMENT.

Ask us which incoming products currently qualify for the free-shipping pre-purchase offer.

Offer applies to qualifying pre-purchased equipment shipped within British Columbia while the item is still designated as incoming/pre-order inventory. Once the item is designated in stock, standard shipping rates apply. Product availability and final purchase terms are confirmed on the quotation or invoice.

HOW TO SHOP THIS CATALOGUE

Three clear ways to purchase veterinary equipment from House Hippo.

Look for the inventory status shown with each product. Shipping, warranty and availability can differ depending on whether an item is new and in stock, incoming for pre-order, or part of our veterinary practice liquidation.

NEW EQUIPMENT — IN STOCK

READY TO ORDER

- New equipment available from House Hippo inventory
- Warranty information shown with each eligible product
- Available while quantities last

STANDARD SHIPPING RATES APPLY

PRE-ORDER / INCOMING EQUIPMENT

RESERVE BEFORE IT ARRIVES

- 50% deposit secures qualifying incoming equipment
- FREE shipping within British Columbia while designated pre-order
- Balance due on shipping date

FREE SHIPPING IN BC BEFORE INVENTORY ARRIVES

PRACTICE LIQUIDATION — IN STOCK

LIMITED-QUANTITY USED EQUIPMENT

- Professional equipment from our former veterinary hospital
- Condition and inclusions described with each item
- Many items are one-of-one and available only while stock lasts

STANDARD SHIPPING RATES APPLY

CAN'T FIND WHAT YOU NEED?

House Hippo can source additional veterinary equipment for your clinic.

Tell us what you're looking for and we'll work to provide an appropriate option at competitive pricing.

Final availability, warranty eligibility, shipping charges and purchase terms are confirmed on the applicable quotation or invoice. Pre-order free shipping applies to qualifying equipment shipped within British Columbia while the item remains designated as incoming/pre-order inventory.
