ABOUT US

At Indus Farms, it is our endeavor to bring you the finest quality of health-foods to feed your nutrient-hungry bellies. We are here to share our passion with you and hope to enrich your lifestyle with our exotic & ethnic superfoods. We have collaborated directly with small & marginal farms to establish our niche in specialty superfoods. We supply our exclusively manufactured ingredients in various formulations such as fine powders, granules, chunks, slices, herbal capsules, extracts, tea-cuts, etc. Our unique 100% natural collection includes (but not limited to) Single-Ingredient Freeze-Dried Ready-to-Eat Fruits/Vegetables, Fruit/Vegetable Powders, Ethnic Flavors, Specialty Herbs & Exotic Ingredients.

We believe in keeping it simple, yet nutrient-rich. 'No artificial flavors/colors-fillers & no added preservatives' is our core mantra. Our products are all natural & plant-based. Our product line covers specialty ingredients that are vegan, GMO-free, gluten-free, without refined sugars, kosher and/or halal certified as well as variety of organic certified specialty foods. We currently serve every-day consumers as well as businesses of any size globally in retail, wholesale & commercial bulk. Our versatile ingredients serve industries such as baking, ready-to-eat snacks, food flavoring, beverages, condiments, nutritious confectionery, sports-nutrition, pet-foods, personal-care, emergency survival & camping.

**We look forward to serving you with our unique
100% Natural Superfoods!**
