Gear up with the ultimate high-vis jacket designed to keep you safe, warm, and protected in any work environment. The hi-vis safety puffer jacket delivers cutting-edge compliance, unbeatable durability, and all-weather performance so you can focus on the job, not the elements.

- **Certified compliance:** meets the latest CSA Z96-22.
- **Enhanced visibility & mobility:** features segmented reflective tape for superior flexibility and visibility on the job.
- **Weather-resistant protection:** TPU membrane provides water-resistant and windproof performance to keep you dry.
- **Durable & tough:** made with bonded polyester soft shell fabric, built to withstand demanding work environments.
- **Insulation:** 800gsm polyester padding delivers warmth without bulk for all-day comfort.
- **Breathable & flexible:** polyester mechanical stretch pongee ensures a comfortable, unrestricted fit.
- **Smooth, comfortable lining:** 210T polyester taffeta makes it easy to layer over workwear.
- **Designed for hard work:** engineered for safety, durability, and all-weather performance.

Hi Vis Aviator Lined Bomber Jacket

Built for tough conditions, this 100% waterproof, insulated bomber jacket keeps you warm, dry, and highly visible. Featuring taped seams, a durable 300D polyester shell, and ANSI/CSA compliance, it's the ultimate blend of protection, comfort, and safety for demanding jobs.

- **Durable & Waterproof:** 300D polyester oxford shell with PU coating and taped seams for full waterproof protection.
- **Warm & Insulated:** 100% polyester microfleece lining and eco-friendly 100% recycled polyester padding for superior warmth.
- **Adjustable Fit:** Elastic cuffs with Velcro adjustment and an elastic waist for a secure, comfortable fit.
- **Convenient Front Zipper Closure:** Easy on-and-off wear with a sturdy front zipper.
- **Secure Storage:** Front zippered phone pocket for easy access to essentials.
- **Meets CSA Z96 standards:** Orange and Lime (Class 2 Level 2), Black (Class 1 Level 2).
- **Meets ANSI 107 standards:** Orange and Lime (Type R Class 3), Black (Type O Class 1)

The perfect outer layer, built for propelling water and shielding you and your team from even the fiercest downpour. Our Hi Vis Safety Rain Jacket is seam-sealed to meet rigorous compliance standards and allow you to work in harsh conditions while keeping dry and maintaining unrestricted visibility. It's insulating yet breathable, and it's designed to adapt to a range of conditions. If desired, the hood can easily detach once the sun comes out.

- Total compliance with the newest CSA standard: CSA Z96; Orange and Lime meet Class 2 Level 2 and Black meets Class 1 level 2
- Total compliance with the newest ANSI standard: ANSI 107; Orange and Lime meet Type R Class 3 and Black meets Type O Class 1
- 100% polyester oxford, polyurethane coated
- Water-resistant (up to 8000mm) and wind-proof fabric, fully seam-sealed
- Full-length, two-way, heavy-duty front zip with spring-loaded snap closure storm flap
- Adjustable velcro at cuff
- Two lower loss-proof pockets
- Detachable snap-off hood, rib-knit storm cuffs

Re-Engineered Hi Vis Safety Softshell Jacket

Designed for road crews, first responders, and workers requiring round-the-clock visibility, our machine washable safety softshell functions as a warm yet breathable transitional garment, ideal for the change of seasons. The softshell features a lightweight, versatile lining with outside pockets and is easy to layer with other articles of clothing. A great non-bulky option perfect for a range of jobs no matter the weather.

- Total compliance with the newest CSA standard: CSA Z96; Orange and Lime meet Class 2 Level 2 and Black meets Class 1 Level 2
- Total compliance with the newest ANSI standard: ANSI 107; Orange and Lime meet Type R Class 3 and Black meets Type O Class 1
- Same tried and true fabric as our original, with improved design for better performance on the job
- New cuff design for less bulk
- New dropped back hem
- New black trim hides scuffs
- Shaped three-piece snap-off hood
