Model	Description	Dealer	MSRP/MAP(CAD)
<p>Bearcat 880FM</p> 	<p>Dual-Mode AM/FM CB Radio</p> <p>Full-featured AM/FM CB radio with NOAA weather alerts, SWR antenna calibration, and a customizable full-colour LCD display. Features noise-cancelling microphone, 40-channel operation, and wireless mic compatibility.</p>	\$225.00	\$269.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>Bearcat 980</p> 	<p>40-Channel CB Radio with Single Side Band</p> <p>Upper and lower SSB support for more channel positions and increased power. Customizable 7-colour LCD, SWR antenna calibration, NOAA weather alerts, RF gain, mic gain control, talkback feature, and frequency counter.</p>	\$240.00	\$279.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>Beartracker 885</p> 	<p>Hybrid CB Radio + Digital Scanner</p> <p>The only CB radio that also scans public safety channels. GPS-powered BearTracker technology automatically selects nearby police, fire, ambulance, and DOT channels. Nationwide database updated weekly. No manual programming required.</p>	\$473.00	\$589.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>CMX760</p> 	<p>Off-Road Compact CB Radio</p> <p>Ultra-compact design built for Jeeps, trucks, and off-road vehicles. Remote speaker/mic with LCD display, 40-channel operation, NOAA weather alerts, and rugged mountable construction for tight cab spaces.</p>	\$188.00	\$239.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>PC68LTXFM</p> 	<p>Professional Dual-Mode AM/FM CB Radio</p> <p>40-channel AM/FM CB radio with RF and mic gain, HI-CUT filter, PA/CB switch, and analog RF meter. Reliable performance in a compact professional form factor.</p>	\$158.00	\$189.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>PC78LTXFM</p> 	<p>Professional AM/FM CB Radio with SWR Meter</p> <p>Dual-mode AM/FM operation with integrated SWR meter, PA/CB function, HI-CUT filter, RF and mic gain control, and instant channel 9. Built for rugged reliability on the road.</p>	\$173.00	\$199.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>PRO401HH</p> 	<p>40-Channel Handheld CB Radio</p> <p>Compact handheld CB with 40 AM channels, auto noise cancel, Hi/Low power switch, and backlit display. Operates on 9 AA rechargeable or alkaline batteries. Belt clip and wrist strap included.</p>	\$98.00	\$119.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>PRO501HH</p> 	<p>Pro Series 40-Channel Handheld CB Radio</p> <p>40-channel handheld with NOAA weather, dual watch, full channel scan, 4W Hi/1W Low power settings, auto noise limiter, large backlit LCD, and external speaker/mic jacks. Battery or DC power capable.</p>	\$135.00	\$159.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>PRO501TK</p> 	<p>Handheld CB Radio Kit with Magnetic Mount Antenna</p> <p>PRO501HH handheld with included high-gain magnetic mount antenna for extended transmit/receive range. 40 channels, NOAA weather, dual watch, adjustable power, and DC cigarette cord. Belt clip and wrist strap included.</p>	\$158.00	\$189.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>PRO510XL</p> 	<p>Compact Mobile CB Radio</p> <p>Compact 40-channel CB for vehicles with limited cab space. Superheterodyne circuit with Phase Locked Loop technology for precise frequency control. Automatic gain control and adjustable squelch.</p>	\$98.00	\$109.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>PRO520XL</p> 	<p>Compact Mobile CB Radio with PA</p> <p>40-channel compact mobile CB with added public address (PA) output and instant channel 9. RF gain control, automatic noise limiter, and 7W audio output. Ideal for smaller vehicles.</p>	\$105.00	\$129.99

Model	Description	Dealer	MSRP/MAP(CAD)
BCD160DN 	Digital Handheld Scanner 500-channel scanner with DMR and NXDN decoding, narrowband reception, band scope, rapid system/channel number tagging, and full search capabilities. Covers VHF/UHF for local public safety monitoring.	\$285.00	\$339.99

Model	Description	Dealer	MSRP/MAP(CAD)
BCD260DN 	Digital Base/Mobile Scanner Pre-programmed base/mobile scanner covering emergency services, aviation, marine, railroad, and weather. DMR and NXDN decoding, narrowband reception, band scope, and S.A.M.E. weather alerts.	\$375.00	\$469.99

Model	Description	Dealer	MSRP/MAP(CAD)
BCD325P2 	Handheld Digital Scanner — P25 Phase I & II Portable scanner with TrunkTracker V, APCO P25 Phase I & II support, GPS location-based scanning, Close Call RF Capture, and HomePatrol database compatibility. Up to 9,000 dynamic channels.	\$510.00	\$599.99

Model	Description	Dealer	MSRP/MAP(CAD)
BCD436HP 	Handheld Digital Scanner — HomePatrol Series Compact portable scanner with TrunkTracker V, GPS location-based scanning, HomePatrol database, and full digital/analog support. APCO P25 Phase I & II, Motorola, EDACS, LTR, and conventional coverage.	\$595.00	\$739.99

Model	Description	Dealer	MSRP/MAP(CAD)
BCD536HP 	Base/Mobile Digital Scanner — HomePatrol Series Advanced base/mobile scanner with APCO P25 Phase I & II, TrunkTracker V, Close Call RF Capture, Wi-Fi connectivity, and HomePatrol database. S.A.M.E. weather alerts, remote access, and recording/replay.	\$675.00	\$869.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>BCD996P2</p> 	<p>Mobile Digital Scanner — TrunkTracker V</p> <p>High-performance mobile scanner with TrunkTracker V, APCO P25 Phase I & II, GPS support, Close Call RF Capture, and HomePatrol database. 25,000 channels. Ideal for vehicle or base station use.</p>	\$548.00	\$669.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>Home Patrol-2</p> 	<p>Touchscreen Digital Scanner</p> <p>Simple zip code setup via touchscreen with HomePatrol national database for instant local scanning. No programming required. Covers police, fire, ambulance, weather, and emergency services.</p>	\$698.00	\$829.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>SDS100</p> 	<p>True I/Q Handheld Digital Scanner</p> <p>Industry-leading True I/Q receiver technology for superior digital signal decoding. APCO P25 Phase I & II, simulcast, and conventional scanning. GPS, HomePatrol database, pre-programmed, and compact.</p>	\$900.00	\$929.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>SDS150</p> 	<p>True I/Q Handheld Digital Scanner — P25</p> <p>Handheld scanner with True I/Q receiver, APCO P25 Phase I & II, simulcast support, and ZIP code easy setup. Pre-programmed for immediate use. Reliable performance for home or on-the-go monitoring.</p>	\$1125.00	\$1,269.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>SDS200</p> 	<p>True I/Q Base/Mobile Digital Scanner</p> <p>Top-of-the-line base/mobile scanner with True I/Q receiver, APCO P25 Phase I & II, simulcast, GPS, HomePatrol database, and Wi-Fi. Advanced recording, replay, and remote monitoring capabilities.</p>	\$848.00	\$999.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>Atlantis 155</p> 	<p>Compact Floating VHF Marine Radio</p> <p>Buoyant handheld VHF with dual-colour display, NOAA channel scanning, vibrating tone alerts, and submersible design. Covers all US, Canada, and international VHF marine channels.</p>	\$105.00	\$119.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>Atlantis 275</p> 	<p>Floating Handheld VHF Marine Radio</p> <p>6W transmit power, emergency strobe and flashlight, NOAA weather alerts, and floating design for on-water safety. Buoyant construction ensures recovery if dropped overboard.</p>	\$150.00	\$189.99

Model	Description	Dealer	MSRP/MAP(CAD)
<p>MHS75</p> 	<p>Submersible Handheld VHF Marine Radio — IPX8</p> <p>Rugged IPX8 waterproof VHF with 12-hour rechargeable lithium battery, memory channel scan, dual watch, NOAA weather, and rapid clip-on DC charger. Covers all US, Canada, and international marine channels.</p>	\$135.00	\$179.99

Model	Description	Dealer	MSRP/MAP(CAD)
BC15 	15W External Speaker 15-watt external speaker for CB radios and scanners. Amplified clear audio cuts through road noise. Standard 3.5mm plug. Suitable for vehicle and desktop use.	\$42.00	\$49.99

Model	Description	Dealer	MSRP/MAP(CAD)
BC20 	20W External Speaker 20-watt external speaker for CB radios and scanners. Powerful audio output for loud driving environments. Standard 3.5mm plug. Swivel mounting bracket included.	\$45.00	\$59.99

Model	Description	Dealer	MSRP/MAP(CAD)
BC645 	4-Pin CB Microphone Replacement 4-pin CB microphone for PRO505XL, PRO510XL, PRO520XL, and PRO538W. Direct plug-and-play fit for compatible Uniden CB radios.	\$23.00	\$39.99

Model	Description	Dealer	MSRP/MAP(CAD)
BC646 	Ergonomic Pistol Grip CB Microphone Ergonomic pistol grip replacement microphone for PC66, PC68, PC76, and PC78 CB radios. Comfortable grip design for extended use.	\$34.00	\$49.99

Model	Description	Dealer	MSRP/MAP(CAD)
BC7 	7W External Speaker Compact 7-watt external speaker for CB radios and scanners. Ideal for vehicles with limited space. Standard 3.5mm plug.	\$23.00	\$29.99

Model	Description	Dealer	MSRP/MAP(CAD)
BC804NC 	4-Pin Noise-Cancelling Microphone Noise-cancelling 4-pin replacement microphone for PC68 and PC78 series CB radios. Reduces background noise for clearer voice transmission.	\$45.00	\$54.99

Model	Description	Dealer	MSRP/MAP(CAD)
BC906W 	Wireless Speaker & Microphone Wireless Bluetooth speaker and microphone for Bearcat 880, 880FM, and 980SSB CB radios. Eliminates cable clutter for a cleaner cab installation.	\$128.00	\$164.99

Model	Description	Dealer	MSRP/MAP(CAD)
BCATPL259-19 	18" Magnetic Mount CB Antenna Pre-tuned, low-profile 18-inch magnetic mount CB antenna. Aerodynamic design, heavy-duty magnet, 14.7ft coax with PL-259 connector. 100W power handling. No tools required.	\$60.00	\$79.99

Model	Description	Dealer	MSRP/MAP(CAD)
UMRMIC 	Remote Microphone for UM725 — White Second station wired remote microphone with direct connection to UM725 series fixed-mount VHF radios. Full remote control of channels, DSC Distress, and NOAA weather. White finish.	\$158.00	\$209.99

Model	Description	Dealer	MSRP/MAP(CAD)
UMMICBK 	Remote Microphone for UM725 — Black Second station wired remote microphone with direct connection to UM725 series fixed-mount VHF radios. Full remote control of channels, DSC Distress, and NOAA weather. Black finish.	\$158.00	\$209.99
