Luxury Laser-Cut Metal Pergola with Integrated LED Lighting

Price:

Transform rooftop terraces, outdoor lounges, and garden patios into high-end entertainment hubs with this architectural steel pergola. Crafted from heavy-duty, weather-resistant steel frames, it features precision laser-cut decorative side screens that offer an elegant privacy barrier without blocking gentle breezes. Warm, integrated ambient LED strip lighting along the top frame and inside the laser-cut panels creates a sophisticated, luminous aesthetic perfect for evening gatherings.

Modern Garden Swing with Canopy
