

ALL-IN-ONE ENTERPRISE SOLUTION

Pindah ERP

Module Showcase

Our system provides an **all-in-one pharmacy management and enterprise platform** that combines Dispensing, ERP & Accounting, Inventory, Procurement, CRM, HR, Logistics, and Document Management into one unified system.

Helping pharmacies manage **stock, suppliers, finances, customer records, and compliance** from a single system — with multi-branch support, multi-currency accounting, secure audit trails, offline capability, and seamless integration.

☐ Multi-Branch

☐ Multi-Currency

☐ Audit Trails
