BOUGIE STICKS

- Perfume roll-on sticks
- Each fragrance sold in packs of 6/cannot mix and match scents

Wholesale \$11/MSRP \$22/Tester \$6 (one tester per fragrance per order)

St. Lucia with clear quartz is spiritually healing. The benefits include enhanced mental clarity and emotional stability. (SLBS) (SLBS-T)

Yucca Palm with green aventurine crystal symbolizes inner peace, curbs negative energy, and promotes spiritual growth. This “Stone of Opportunity” attracts abundance and good fortune (YPBS) (YPBS-T).

Mesa Verde with tiger eye crystal will enable you to feel more confident, relieving anxiety and balancing your soul. Wealth and vitality are boosted by this stone. (MVBS) (MVBS-T)

Blu Agave with lapis lazuli crystal, a captivating ultramarine blue stone, represents power, mystical wisdom and the afterlife. (BABS) (BABS-T)

Sunset 57 with red jasper crystal is grounding and can help you better engage with the world around you. It can eliminate distractions and procrastination and help you achieve your goals. (S57BS) (S57BS-T)

Big Sur with invigorating notes of pink grapefruit and tropical fruits and hints of cyclamen and jasmine. Rose quartz helps with unconditional love and relationship health. (BSBS) (BSBS-T)

Mister Oliver with notes of leather, saffron, raspberry and thyme gives the perfect balance of masculine and feminine. Black obsidian crystals will help with cleansing and protecting your aura. (MOBS) (MOBS-T)

Monterey Moon has notes of blue sage, violet, cactus flower and lavender that blend with hints of palo santo and vetiver. It is infused with turquoise crystal stones for a touch of healing energy. (MMBS) (MMBS-T)

Durango captures the quiet luxury of a place that feels both familiar and unforgettable. Soft white florals unfold into warm sandalwood and subtle woods, creating a fragrance that is effortlessly refined and inviting. (DFBS) (DFBS-T)

BOUGIE STICK DISPLAY SYSTEM

- Carry all 9 Bougie Stick fragrances and discover your customers' favorites.
- Includes 7 of each scent, front-row testers and a free display
