Overview

Total Sports Apparel produces **custom cycling uniforms** designed for clubs, teams, training groups, events, and organizations seeking high-performance apparel with a professional finish. All cycling uniforms are **made to order** and fully customizable to reflect your brand identity, colors, and performance requirements.

Custom Manufacturing & Decoration

Our cycling uniforms are manufactured using **advanced dye sublimation printing**, delivering vibrant colors, sharp graphics, and long-lasting designs that will not crack, peel, or fade. We also offer **embroidery and custom patches** for select branding elements where required, ensuring a premium look and durable finish. Every garment is developed with attention to comfort, aerodynamics, and long-ride durability.

Fabrics, Fit & Sizing

We offer **all common cycling uniform fabric types**, including lightweight, breathable, moisture-wicking, and stretch performance materials suited for road and training use. Uniforms are available in **all standard and extended men's sizes**, providing a consistent and race-ready fit across the group. We manufacture **men's cycling apparel only** and do not produce helmets, shoes, gloves, or other non-apparel items.

Production Timeline & Order Details

- **Minimum Order Quantity (MOQ):** 12 pieces
- **Standard Production Time:** 4–6 weeks for small orders
- **Rush Production:** Available upon request
- **Bulk Order Discounts:** Available for larger quantities

Design Support & Added Value

To simplify the ordering process, we provide **free design setup on orders valued at \$500 or more**. Our design team works closely with you to finalize layouts, colors, and branding before production begins, ensuring accuracy and consistency.

Why Total Sports Apparel

With full customization, premium materials, flexible production options, and reliable delivery timelines, **Total Sports Apparel delivers cycling uniforms built for performance, comfort, and lasting brand impact.**
