## Product Catalog

VISION IMPORT & EXPORT

**VISION IMPORT & EXPORT** is a trusted Indian manufacturer and exporter specializing in premium-quality **Buffalo Horn Button Blanks, Cow Horn Button Blanks, Horn Plates, Horn Tips, Horn Toggles, and Bone Products**. Located in **Sambhal, Uttar Pradesh**, the world-renowned hub of natural horn craftsmanship, we combine generations of traditional expertise with modern manufacturing technology to deliver products that meet international quality standards.

Our products are crafted from carefully selected natural horn and bone materials, offering exceptional strength, distinctive natural patterns, and timeless elegance. Every piece undergoes strict quality control to ensure consistency, precision, and superior finishing for customers across the global fashion, garment accessories, handicraft, and button manufacturing industries.

Serving wholesalers, importers, distributors, and manufacturers worldwide, we provide customized sizes, specifications, and reliable export solutions tailored to our clients' requirements. Our commitment to sustainable sourcing, skilled craftsmanship, and customer satisfaction has made us a dependable partner for businesses seeking premium natural horn products.

## Why Choose Us

At **VISION IMPORT & EXPORT**, we believe that exceptional products begin with exceptional craftsmanship. With years of expertise in manufacturing premium Buffalo and Cow Horn products, we combine traditional artisan skills with modern production techniques to deliver products that meet the highest international standards.

Our commitment to quality starts with carefully selected natural raw materials and continues through every stage of manufacturing, ensuring precision, consistency, and superior finishing. Each product is thoroughly inspected to guarantee durability, uniformity, and the distinctive natural beauty that makes genuine horn products highly valued around the world.

We understand the needs of global buyers and offer flexible manufacturing solutions, including customized sizes, specifications, and finishes to suit individual customer requirements. Supported by competitive pricing, secure export packaging, reliable logistics, and complete export documentation, we ensure a smooth and dependable sourcing experience.

Driven by integrity, innovation, and customer satisfaction, **VISION IMPORT & EXPORT** has earned the trust of importers, wholesalers, distributors, and manufacturers worldwide. Our mission is to build long-term business partnerships by consistently delivering premium-quality natural horn products, reliable service, and outstanding value.
